## Pick your Tutor

When the list populates, find your tutor and click "Schedule Appointment" in the box next to them.

Note: the list may say "no service members" while it populates -- please be patient.

Don't see the service or service members you are looking for? Click "Next Page" at the bottom to show more.

## Pick Day & Time

Select the day you wish to schedule from the calendar on the top-left. Dates in bold indicate time are available on that day. Select a time from the available slots by clicking the green plus-sign.

## Schedule

A pane should appear. To finish, fill in any required info it asks for and click "submit."

Congrats -- you're done!
