I am currently receiving the Educational Aide Exemption.

I have received the Educational Aide Exemption in past semesters.

Based on the above information I am requesting that the resident teaching requirements, including coursework, be waived.

*If you are not currently receiving the Educational Aide Exemption you must provide approved documentation that you have received the exemption in past semesters prior to the resident teaching requirements being waived.*

*Degree-seeking students must be able to meet all degree requirements for graduation, including minimum hour requirements.*

*Students must complete Sped 416 and/or Sped 418 as required for their certification level.*
