

Logging in and using Digital Backpack

The screenshot shows the login page for TAMU. At the top left is the TAMU logo. Below it are two input fields: 'username' and 'password'. Under the password field is the text 'tamut.local'. A dark blue 'Sign in' button is centered below the fields. Below the button are two links: 'Forgot password?' and 'Change to a different domain'. At the bottom is the 'vmware' logo.

- Visit portal.tamut.edu
- Enter your EagleID username
- Enter your password
- Click Sign in

After signing in, to enter the desired application, click Open. Access to EagleID applications will be granted without reentering user name and password. Other applications will require the necessary credentials.

The screenshot shows the Digital Backpack dashboard. At the top left is the TAMU logo. To its right is a search bar with the text 'Search'. Further right is a user profile icon with the text 'Your Name'. Below the search bar are two tabs: 'BOOKMARKS' and 'CATALOG'. The main area is a grid of application tiles. The first row contains five tiles: 'iSITE Website', 'Adobe Creative Cloud Website', 'Blackboard Website', 'Presence Website', and 'Library_Lab Horizon'. The second row contains five tiles: 'Ace Mail', 'Web for Students/Faculty', 'BOOKSTORE', 'zoom', and 'Eagle Tech'. Each tile has an 'Open' button and a bookmark icon.
