Clery Act/CSA Training
Texas A&M University-Texarkana
University Police Department
Assistant Vice President of Student Affairs
Jeanne Clery was raped and murdered while asleep in her dorm room at Lehigh University in 1986. She was murdered by another student who entered her dorm room through three propped-open doors.

Her parents discovered that there had been numerous reports of propped-open doors, and there had been 38 violent crimes in the three years prior to her murder at Lehigh. They believed she would have been more cautious if she had known about the other violent crimes at Lehigh.
What is the Purpose of the Clery Act?

The Clery Act is a consumer protection law that aims to provide transparency around campus crime policy and statistics.
What Does Clery Require?

• Institutions must collect, classify, count, and report crime and fire statistics.

• Institutions must issue **Campus Alerts** to provide the campus community with information necessary to make informed decisions about their health and safety.
  • Issue a **Timely Warning** for any Clery Act crime that represents an ongoing threat to the safety of students or employees. They may issue **Crime Alerts** to non-Clery crimes.
  • Issue an **Emergency Notification** upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.
What Does Clery Require? (continued)

• **Publish an Annual Security Report (ASR) and Fire Safety Report** (by Oct. 1st of each year) containing safety and security-related policy statements and crime statistics and distribute it, or advise where to locate it electronically, to all current students and employees. Schools must also inform prospective student and employees about the availability of the report.

• **Provide Missing Student Notification procedures.** If your institution has on-campus student housing facilities, you must:
  - Disclose Missing Student Notification procedures that pertain to students residing in those facilities
  - Disclose fire safety information and statistics
  - Maintain a Fire Log related to those facilities

• If your institution maintains a campus police or security department, you must **create, maintain, and make available, a Crime Log** of crimes or alleged criminal incidents that is open to public inspection.
What Does Clery Require? (continued)

• Have established policies and procedures to ensure safety.
• Submit statistics to the Department of Education.
Non-Compliance Consequences

• Suspension or limiting the institution’s Title IX funding
• Institution’s name will be provided to Congress by the Secretary of Education
• Department of Education can issue civil fines up to $55,907 per violation
• Final Review Determination Reports are public record
• Institution will receive negative media attention
• Failure to comply with the Clery Act can be used in court to demonstrate an indifference to security issues during a security liability litigation.
Campus Security Authorities

The Clery Act requires the institution to identify individuals and organizations that meet the definition of a Campus Security Authority.
Am I a CSA?

The law defines four categories of Campus Security Authority:

1. University Police/Security Department
2. Individuals responsible for security
   - Access Monitor
   - Resident Assistant
3. Individuals or offices designated to receive crime reports
4. Officials with significant responsibility for student and campus activities
Who is NOT a CSA?

• Faculty without responsibility for student or campus activities outside of the classroom
• Support Staff (Clerical, Food service workers, Facilities staff)
• Licensed Professional or Pastoral Counselors
• Health Educators
A CSA’s Primary Responsibility is:

to report allegations of Clery Act crimes reported to them to the official or office designated by the institution to collect crime report information.
CSA’s are NOT Responsible For:

• Investigating or reporting incidents:
  • Overheard from students talking in a hallway or mentioned during an in-class discussion
