The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires colleges and universities across the United States to disclose information about crime on and around their campuses. A requirement of this law is timely notification to the campus community of certain crimes in a manner that will aid in the prevention of similar crimes.

A reported Burglary of a Vehicle and theft of a firearm was made today with the University Police Department. This crime occurred at the dirt parking lot located next to the soccer field. The UPD is investigating the crime.

On-campus -
is defined as “any building or property owned or controlled by an institution of higher education within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including student halls; and property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is used by students, and supports institutional purposes (such as a food or other retail vendor).”
