3. Once you've selected Account Settings, click on Enrollments. When this window opens, scroll down to the bottom and make sure your enrollment looks exactly like this:

nrollments		
Institution *	Elsevier - HESI	
	Rem	ove Enrollment
		Add Enrollment
	Update Account	

If it doesn't, then click on the Add Enrollment button and in the drop-down menu options, find and select Elsevier-HESI and then click the Update Account button.

4. When this is done, choose the Home option and then select Schedule New Session. In the Confirm your institution box, it should read Elsevier-HESI. The Select a term box, click on the drop-down menu and in the search box, type Texas A&M Texarkana. In the Select your exam box, the HESI A2 Admission Assessment – Kristie Avery, Sheila Moore should be the only one available so select it. This is how it should look:

Confirm your institution	Elsevier - HESI 🗸
Select a term	Texas A&M Texarkana
Select your exam	HESI A2 Admission Assessment - Kristie Avery, Sheila Moore
	Find Sessions

If it looks like this above, then choose the Find Sessions and schedule your exam.
