Certification of Course Completion Equivalent to Recommended High School Program for students who entered Grade 9 in the 2007-2008 School Year or later

BACKGROUND INFORMATION

The Texas Legislature established new requirements for student eligibility for admission to any Texas public university under the Uniform Admissions Policy (Texas Education Code §§51.803-51.809). House Bill 3826 (80th Legislature) requires that all students complete at least the Recommended High School Program (RHSP) in order to be eligible for consideration for admission to a public university. However, a student of a Texas private high school, out-of-state high school, or who was home schooled may qualify for admission to Texas A&M University-Texarkana by completing a portion of the RHSP or Distinguished Achievement Program (also known as the Advanced High School Program) through the completion of coursework equivalent in content or rigor or by meeting other qualifications. These changes became effective on September 1, 2009.

In 2009, the Texas Legislature made additional curriculum changes to the RHSP which impact eligibility requirements for students entering the ninth grade in the 2007-2008 school year or later. As a result, two different forms are available for use in certifying a student's eligibility. This particular form, TPHSC Form-2, should be used **ONLY FOR STUDENTS WHO ENTERED GRADE 9 IN THE 2007-2008 SCHOOL YEAR OR LATER.**

ELIGIBILITY FOR ADMISSION TO ANY TEXAS PUBLIC UNIVERSITY

A student scheduled to graduate from a Texas private high school may be considered for admission to Texas A&M University-Texarkana if the student has completed the Recommended High School Program, or its equivalent, the Distinguished Achievement Program (also known as the Advanced High School Program), or its equivalent, or has achieved college readiness scores on the ACT or SAT entrance exams. Students who attend schools that do not offer the Recommended or Distinguished Program or who are able to complete only a portion of the Recommended or Distinguished Program because the courses are not available to the student (for example, private Texas High Schools, out-of-state schools, or home schools) may still be eligible for admission to A&M-Texarkana.

COMPLETION AND SUBMISSION INSTRUCTIONS FOR HIGH SCHOOL ADMINISTRATORS

Complete the following steps for each student at your high school who is applying for admission to Texas A&M University-Texarkana and was not able to complete the Recommended High School Program (or the Distinguished Achievement Program):

1. Please complete the right-hand column of the program and course table, indicating that the above named student has completed the equivalent of the required courses at your institution and complete the appropriate certification statement.
2. If the student has met College Readiness by the appropriate ACT or SAT Benchmarks (See Admissions Procedures).
3. Pages 2 & 3 can be mailed to Texas A&M University-Texarkana, ATTN: Admissions, 7101 University Avenue, Texarkana, TX, 75503. The pages can also be hand delivered to Admissions in the Enrollment Services Suite (UC 260) in the University Center.
4. Pages 4 & 5 can be mailed to Texas A&M University-Texarkana, ATTN: Financial Aid, 7101 University Avenue, Texarkana, TX, 75503. The pages can also be hand delivered to Financial Aid in the Enrollment Services Suite (UC 260) in the University Center.

Please note that final decisions about admissions, the TEXAS Grant, or the Top 10 Percent Scholarship are solely the responsibility of A&M University-Texarkana.

Important notes:

- Course requirements were amended on August 23, 2010. Please check TEA's link for possible future changes: <http://ritter.tea.state.tx.us/rules/tac/chapter074/ch074f.html>
- Courses marked as "AP" are Advanced Placement courses; those marked "IB" are International Baccalaureate courses.
- * For students who select Mathematical Models with Applications, Algebra II is their fourth or final course. The student may not take Mathematical Models with Applications after taking Algebra II. The intent of the rule is that all students should have a rigorous math course in their senior year; however, students may continue to take mathematics courses at the middle school and receive high school credit.
- ** Integrated Physics and Chemistry (IPC) may be taken until SY 2012-2013. When IPC is phased out, all students will select:
 - one credit from Biology, AP Biology, or IB Biology;
 - one credit from Chemistry, IB Chemistry, or AP Chemistry;
 - one credit from Physics, AP Physics, or IB Physics, or Principles of Technology I; and
 - a fourth credit from the courses listed in 19 Texas Administrative Code §112.72 (Other Courses for Which Students May Receive Science Credit). <http://ritter.tea.state.tx.us/rules/tac/chapter112/ch112d.html>
- *** Foundation of Physical fitness is no longer required under the Recommended High School Program; however, it is still a requirement under the Distinguished Achievement Program.
- **** Communication Application is still required; however, it may be counted toward the 6 required elective credits as well in order to prevent the student from having to complete more than 26 credits.

For consideration for admission to Texas A&M University-Texarkana, the private high school, out-of state high school, or home school should attach the completed certification to the student’s high school transcript or diploma and submit to the Office of Admissions by the deadline.

IMPORTANT NOTICE: The admissions office of A&M-Texarkana will not consider a student eligible for admission without this completed certification.

Certification for Admission to a Texas Public University

I hereby certify one of the following statements for the student named above:

- (1) The courses taken by the student are equivalent in content and rigor to courses in the Recommended High School Program (RHSP) or Distinguished Achievement Program (DAP) outlined in Texas Education Code, §28.025, and 19 Texas Administrative Code §§74.63 and 74.64.
- (2) The student completed only a portion of the RHSP or DAP and those courses are equivalent in content and rigor to the courses indicated in the table above. The student only completed a portion of the RHSP or DAP solely because courses necessary to complete the remainder of the program were unavailable to the student at the appropriate times in the student’s high school career as a result of one or more of the following:

- Course scheduling;
- Lack of enrollment capacity; or
- Another cause not within the student’s control as specified below:

- (3) The student satisfies the ACT College Readiness Benchmarks on the ACT assessment English 18; Mathematics 22; Reading 21; Science 24 (NOTE: Official scores must be submitted to the Admissions Office of the university).
- (4) The student earned a score of at least a 1500 out of 2400 on the SAT assessment (NOTE: Official scores must be submitted to the Admissions Office of the university).
